 Just spent a few incredible days in San Francisco at the Founder Embassy, and I'm still buzzing from the experience.

Massive thanks to [Helena Gagern](#) & [Donatus zu Schaumburg-Lippe](#) — they're on a mission to back European outlier founders in the Bay, and trust me, they really mean it   

Over two dinners and one brunch, I got to meet some of the most mind-blowing European founders I've ever come across — the kind of wild, ambitious builders I would never have met ...more

 We're 3-4 builders creating the ultimate hacker house in SF — and we're looking for 2 additional cracked builders to join us!

-  17 When: May 23rd — July 23rd
-  Where: prime location in San Francisco
-  What: building ambitious projects, shipping fast, crushing hackathons, hitting top tech events like YC's AI Startup School, and meeting wild builders

 About us:
— [Dominique Paul](#), [Elior Benarous](#), myself (and one to be confirmed)
— studied at Stanford & ETH ...more

About

I am seeking a challenging position that would help me apply my skills in computer architecture, compilers and embedded systems to improve performance of multi-core systems. In particular, I am interested in identifying and eliminating bottlenecks that impact scalability, performance and power consumption of multi-core systems.
